GILEAD CAFÉ

Gilead Café is a new event venue situated in Toronto's historic Corktown neighbourhood. In the evening, we host intimate sit down dinners for up to 38 people and up to 60 people for cocktail receptions. The space is well suited to both social and corporate gatherings.

The open concept invites guests to experience the unique environment of a professional kitchen. In the dining space we arrange a harvest style table and prepare the food in front of guests to enhance the culinary drama of Gilead Café.
